MEMORANDUM TO CLERKS, UNITED STATES DISTRICT COURTS

SUBJECT: Report of Civil Cases Pending Three Years or More

Enclosed is the final listing of civil cases pending in your district for three years or more on September 30, 1991. The reports were prepared in response to the requirements of the Civil Justice Reform Act of 1990. Copies of the reports have also been provided to the circuit executives. The individual district reports will become a part of the national report. The national report will also include the reports of motions and bench trials pending for more than six months.

Please distribute copies of the report of cases pending for more than three years to the judges and magistrate judges within your district. These reports should be made available to the public in the same manner as the reports of motions and bench trials pending for more than six months.

You and your staff are to be congratulated for your outstanding efforts in completing the update and review process for three-year-old cases. The cooperation in completing this report has been exceptional. Instructions for the next reporting period, March 31, 1992, will be provided to your office in a subsequent memorandum. Any questions or comments that you might have regarding the enclosed reports may be directed to Garcia Allen at (FTS/202) 786-6502.
