08/13/2015	138	Order Denying Application for Expedited Hearing (Related Doc # 135). This matter comes before the Court pursuant to the Application for Expedited Hearing (the "Application") filed by Craig County Hospital Authority, a Public Trust, ("CCHA"), at Docket No. 135 . In the Application, CCHA seeks an expedited hearing on its Motion for Contempt Order (the "Motion") filed at Docket No. 132]. In Paragraph 5 of the Application, CCHA states that "it would be in the best interest of (CCHA) and its creditors for this Court to conduct an expedited hearing on the Motion to consider issuance of the Affirmation Order requested in the Motion and set a further evidentiary hearing on the remainder of the relief requested in the Motion." The Court has reviewed the Motion and finds that it contains a request for an order of contempt and an award of monetary damages. The Court finds no reference in the Motion to an "Affirmation Order," nor does it have any independent knowledge of the relief CCHA ostensibly seeks through the issuance of said "Affirmation Order." The Court sees no basis to expedite a hearing on the Motion on the basis of the record before it. Accordingly, IT IS HEREBY ORDERED that the Application for Expedited Hearing filed by Craig County Hospital Authority, a Public Trust at Docket No. 135 be, and the same hereby is, denied. BY THE COURT: Chief Judge Terrence L. Michael. (text-only order) <i>This entry is the Official Order of the Court. No document is attached.</i> (Chambers)

08/17/2015	 146	ORDER DENYING APPLICATION FOR EXPEDITED HEARING. This matter comes

		<p>before the Court pursuant to the Application for Expedited Hearing filed by Craig County Hospital Authority ("CCHA") at Docket No. 144 (the "Application"). The Application asks for an expedited hearing regarding the Amended Motion for Contempt Order, filed by CCHA at Docket No. 143, which, among other things, asks this Court to issue an order stating that the automatic stay applies in this Chapter 9 bankruptcy case. Apparently CCHA seeks the order so that it may present it to the United States District Court for the Northern District of Oklahoma (the "District Court") at a hearing to be held on August 18, 2015. The Court, being fully advised in the premises, finds that the District Court is fully capable of determining the scope of the automatic stay and that the issue has been properly presented to the District Court. It is unnecessary for this Court to advise the District Court on matters pending before it. Accordingly, it is hereby ordered that the Application for Expedited Hearing filed by Craig County Hospital Authority at Docket No. 144 be, and the same hereby is, denied. (Related Doc # 144).
