

CLE materials for

## *Court Web: Cybersecurity, Tech Tips, and Trends in the Age of COVID-19*

The Federal Judicial Center has provided the attached materials to assist courts in program planning and in applying for continuing legal education (CLE) credit for the webcast *Court Web: Cybersecurity, Tech Tips, and Trends in the Age of COVID-19*. The materials include faculty biography, a continuing legal education application form, and a certificate of attendance for the webcast.

The Center is unable to process individual applications for CLE credit, and therefore there is no preapproval, but these materials will help you facilitate the process in your court. **Each individual attorney is responsible for submitting an application for CLE and for making any payments that are required.** The Center does not have course numbers for the jurisdictions; you will have to acquire that information once you apply for CLE credit in the jurisdiction for which you desire credit. With regard to the Court Training Specialist signature that is required on the Certificate of Attendance, you can have your court's Training Coordinator/Training Specialist or Human Resources Specialist/Human Resources Manager sign the certificate. After it is signed, please submit the form to the CLE Commission or State Bar for which you seek credit. We strongly recommend that you contact your state's CLE board for information about CLE requirements, which vary from state to state.

If you have any questions about the CLE application process please contact Rhonda Starks at 202-502-4059 or [rstarks@fjc.gov](mailto:rstarks@fjc.gov). If you have any questions about the program in general please contact Brenda Baldwin-White at 202-502-4112 or [Bbaldwin-white@fjc.gov](mailto:Bbaldwin-white@fjc.gov).
